IGNITE Music - Audition & Registration Process - Year 7, 2021

Pine Rivers State High School has a strong history of excellent performance in the Performing Arts and in particular, Instrumental Music. Students enrolled in the IGNITE Music program will be required to participate in the school co-curricular instrumental music program for the duration of their enrolment (Year 7-9) at PRSHS.

The school's enrolment management plan allows for scholarship enrolment in a number of categories. Selection processes and timelines for applications can be found on the school website

<https://pineriversshs.eq.edu.au/enrolments>.

All persons interested in enrolment should read the relevant information.

The IGNITE Music program is open to students who excel on **brass** and **woodwind**, **orchestral strings** and **percussion** (multi and kit), and is also open to piano, guitar strands or voice. Students enrolled in the IGNITE Music Program are required to participate in weekly instrumental music lessons (Year 7- 9) and the school co- curricular instrumental music band program for the duration of their enrolment (Year 7- 9) at PRSHS, and with an expectation of continued participation through to the end of year 12.

From year to year the need for specific instruments for inclusion in the school program may vary, depending on existing music enrolments and the balance of instruments within ensembles. The school therefore has absolute discretionary power to determine in which musical activities, and to which students in a particular activity, it has the capacity to offer assistance and support.

Students applying for entry into Year 7 2021 must identify the AMEB standard they have achieved and in cases where a student has not completed AMEB examinations, the student may submit a reference from a registered and practising Education Queensland Instrumental Music Teacher stipulating the level at which the student is playing at.

Procedures for students wishing to audition:
