Excellence

# Acknowledgement of Country

We would like to acknowledge the Gubbi Gubbi and Turrbal people to whom this land belongs. We acknowledge and pay our respects to the Elders who walked before us and the ones walking with us. We understand that as we work, play and learn on this land, we endeavour to look after it as well as look after one another. We will walk gently, respect the land and one another, like the many generations before us.

# Choose Carefully

- At Pine Rivers State High School, we design our timetable after students select their subjects.
- Subject changes are therefore not always possible and are only permitted at certain times, unless there are extenuating circumstances.
- It is important students choose carefully based on their personal interests and what is right for them.
