Dear Parents and Guardians,

Pine Rivers State High School is pleased to offer 2026 Year 7 families the opportunity to participate in our School Managed/Owned Device (SMOD) Laptop Program. This program has been designed to provide students with reliable, high-quality laptops that are fully supported by the school and ready for use in the classroom. The SMOD Program operates as an additional Student Resource Scheme from the general SRS for textbooks, classroom resources, and equipment.

Program Overview

- **Costs:** \$389.40 (GST inclusive) per year for 3 year agreement
- **Inclusions:** ASUS Rugged clamshell BR1402C Laptop with charger, carry case, 3-year warranty, accidental damage protection, and full on-site IT support
- **Ownership:** The laptop is rented through the school during the program and becomes the family's property at the end of the 3-year term or upon early payout (as outlined in the Enrolment Book).

Actions Required by Parents/Guardians

1. Complete, sign, and return the **SMOD Program Participation Agreement** to the school by **2 November 2025**, along with a *non-refundable* **\$100 deposit**, to secure the correct number of devices for ordering.
2. An invoice will be issued once enrolment is confirmed and all documents are returned.
Please note: The first instalment must be paid in full before a student can collect their device.
3. Payments can be made using the methods outlined on the invoice.
Families wishing to arrange a payment plan are encouraged to contact the school office:
(07) 3881 4700, enrolments@pineriversshs.eq.edu.au; finance@pineriversshs.eq.edu.au
4. For technical or program-specific queries, please contact our IT team: itsupport@pineriversshs.eq.edu.au.
5. Support your child in caring for their device throughout the program.

Please note: Participation in the SMOD Program is optional.

Families may alternatively continue with the **Bring Your Own Device (BYOD)** pathway. Information about BYOD can be found on our school website: [BYOD Information](#).

Thank you for your support in ensuring every student has the tools they need for success at Pine Rivers State High School.

Kind regards,

Richard James
Principal
