### Proud Supporters of Pine Rivers State High School

We are a small family owned business dedicated to supporting our customers in achieving the best educational supply outcomes for their children.

As parents and supporters of the teaching institutions that our own children attend, we understand that the investment in those that follow us is important:

" A century from now it will not matter what kind of car I drove, what kind of house I lived in, or how much money I had in the bank.... But one hundred years from now the world may be a better place, because I was important in the life of a child. " .....*Anon*
