

# Investing for Success

## Under this agreement for 2021 Pine Rivers State High School

**\$592,611\***

### This funding will be used to

- Increase the % of students in Year 7 - 10 achieving A-B and A-C rating in English, Mathematics, Science and Humanities.
- Improve Literacy and Numeracy skills.
- Increase students' engagement through targeted learning programs in Years 7 -12.
- Enhance student connectedness with the school.
- Provide additional key staff to enhance the learning of students across the school.

### Our initiatives include

- Designing and implementing learning experiences that enhance deeper learning goals for students.
- Continuing to enhance teacher capacity through collaboration, coaching and feedback.
- Embedding specific writing, numeracy, reading comprehension, and digital literacy strategies across the school curriculum.
- Creating targeted intervention programs for students.
- Designing and implementing learning experiences that enhance citizenship and character.

### Our school will improve student outcomes by

- Purchasing additional **Human Resources** to support students: \$476,111
  - Employing a **Head of Department – Culture** to target student connectedness and spirit within the school.
  - Employing specialist **Enrichment teachers** to enhance deeper learning.
  - Employing an **Attendance Officer** to track attendance, communicate and support parents of students with unexplained absences.
  - Employing an **Engagement staff** to develop and implement an alternative educational program for disengaged learners.
  - Employing additional **Support Staff** to allow 'leaders to lead' the explicit improvement agenda.
  - Employing additional **Teachers and Teacher Aides** to support the learning of students.
- Build capacity and capability within staff through **Professional Development** to: \$68,000
  - Deepen teacher and teacher aide understanding in the areas of Deeper Learning, Literacy, Numeracy, Differentiation, Inclusive Practices and Student Wellbeing.
- Implement specialist **Learning Program** to enhance learners' outcomes: \$37,500
  - Targeted learning experiences that holistically promote student engagement and outcomes.
  - Curriculum and teaching resources.
- Purchasing **Programs and Resources** to support students' engagement: \$11,000
